The best way to communicate with me is: talk to her, give her time to think about what she wants to say before responding, get to know her, ask mom or sister for help with communication if you don't understand

Things I like to do: dancing, going swimming, McDonald's, going to ADS

Things I need help with: personal care (generally just verbal reminders), assistance with preparing meals, getting ready for ADS

Any other important information to know: Very go with the flow and sweet!
